

## CE Declaration of Conformity for microgeneration systems

**Product:** Ampair 300  
**Type:** Ampair 300 – 12 volt micro wind turbine  
Ampair 300 – 24 volt micro wind turbine  
300 watt regulators (S1-300-12/24; PR-300-12/24) and stop switch  
Mounting systems (gantry mount; de-luxe stern mount; stern mount;  
mizzen bracket; DIY adaptor; DIY pole 800/1200/2400)

We declare that the above specified devices are compliant with the regulations of the European Community when installed as a system.

The devices are compliant with the following standards:

- BS En 61400 part 2
- BS EN IEC 60335-1
- LV Directive 73/23/EC
- WEEE Directive 2002/96/EC
- RoHS Directive 2002/95/EC
- EMC Directive 89/336/EC

Note that this declaration of conformity becomes invalid if:

- The devices are installed, modified, complemented, or changed in a manner which has not been permitted in the devices' Installation, Operation & Maintenance Manuals.
- In case of improper usage.
